GIFT IN YOUR WILL

Your Catholic faith has shaped your life and is woven through the many milestone of your life. It has provided guidance, strength, and hope. By living your faith you are a witness to your family, friends, and community.

Preparing or updating your will is a wonderful way to reflect your loving care for your family and your values. When deciding how you would like your assets distributed, you can take care of family and loved ones first, while also supporting the Marian Fathers and other causes close to your heart.

Benefits:

- You take care of your loved ones first.
- You decide how much to give—no gift is too small.
- Your gift can be a percentage of your estate (or what's left after you take care of family and friends) so it will vary in size with financial ups and downs.
- You are free to remove or change your gift during your life.
- You can make your gift in honor or memory of someone who has inspired you.
- The Marian Fathers will offer Holy Masses for you and remember you in the daily Mass and prayers offered for the members of their spiritual benefit society, the Association of Marian Helpers.
